

## Assistant Teacher - Math Monkey (Part-time) (Leawood, KS)

Math Monkey of Leawood is a supplemental education program. We offer a classroom setting for students from Kindergarten through 7th grade. We also offer 1-on-1 assistance for students up through high school. At Math Monkey, we believe there are two kinds of students, those who love math and those who WILL love math. In our classroom setting we teach students mental math techniques to increase their speed, accuracy and problem solving skills. The curriculum is game-based so students have fun and enjoy the learning process.

**IDEAL CANDIDATE:** Education student or math student seeking part-time work and available during the following hours: 4:00 – 7:00 PM Monday through Thursday, 9:45 to 1:15 Saturday. This is a part-time position, 1-3 days per week.

**BRIEF DESCRIPTION:** The Assist Teacher is responsible for helping the Lead Teacher in a classroom setting as well as working with students, from 5 to 17, in a 1-on-1 setting.

Responsibilities include:

- Prepare materials for classroom
- Grade homework
- Assist with set up and breakdown of games
- Assist with instruction of mental techniques to students
- Assist students with homework in a 1-on-1 setting
- Assist with clean up of center at the end of classes

### Required skills:

- Understanding and love of mathematics (up through algebra)
- High comfort level working with students from age 5 to 17
- Outstanding communication skills
- Professional and friendly disposition
- Ability to think outside the box
- Ability to take different approaches to explain problems
- Ability to multi-task and work under stressful conditions
- Understanding and ability to teach mathematics through trigonometry a plus
