

Lead Teacher - Math Monkey (Part-time) (Leawood, KS)

Math Monkey of Leawood is a supplemental education program. We offer a classroom setting for students from Kindergarten through 7th grade. We also offer 1-on-1 assistance for students up through high school. At Math Monkey, we believe there are two kinds of students, those who love math and those who WILL love math. In our classroom setting we teach students mental math techniques to increase their speed, accuracy and problem solving skills. The curriculum is game-based so students have fun and enjoy the learning process.

Lead Teacher for classroom needed immediately.

Qualifications

- Elementary or Middle school certification.
- A love of math and passion to teach students.
- Energetic and positive attitude.
- Ability to adapt and improvise depending on the needs of the class.
- Pre-K experience is a bonus.
- Good organization skills.
- Good communication skills.
- Willingness to learn new problem solving strategies.

Responsibilities:

- Set up/break down of classroom.
- Clean up after daily classes.
- Instruct students on mental math techniques.
- Assist individual students that are struggling if needed.
- Set up, organize and direct games played within each class.
- Utilize teacher assistant in class where needed.
- Communicate with Knowledge Center Director on progress of each student.
- Update online program with student progress for parental viewing.
- Talk with parents on an individual basis if requested.

Hours: Class times are weekday evenings (Monday through Thursday 4:00-7:30PM) and Saturdays (9:45 AM-1:15 PM). Number of hours per week depends on current schedule and available days.
